

# HAPPY EASTER

## Easter Nests

### Ingredients:

- 3 Shredded Wheat or similar
- 1 Large bar of milk chocolate
- Mini eggs

### Equipment:

- Large bowl
- Small bowl and pan
- Spoon
- Muffin/bun tin
- Tin foil

### Method:

1. Boil some water in a pan. Break your chocolate into a glass (heat proof) bowl and place over the pan of water. Turn off the heat. Stir the chocolate until melted.
2. In the large bowl, break up the shredded wheat.
3. Mix the chocolate and the shredded wheat together in the bowl.
4. Line your muffin/bun tin with tin foil and place even amounts of your mixture into the tin. Place the back of your spoon into the middle of your mixture and gently press to make a small dent.
5. Place in the fridge until the mixture has set firm. Once they have set, place your mini eggs on top of each bun.
6. Place on a nice plate and share with your family.
